## Fund overview

| ISIN | Bloomberg | Reuters |
|---|---|---|
| LU0289470113 | JPMHIOA LX | LU0289470113.LUF |

**Investment objective:** To achieve a return in excess of the benchmark by exploiting investment opportunities in, amongst others, the debt and currency markets, and using derivatives where appropriate.

**Investment approach**

- Uses an absolute return oriented approach to target uncorrelated, low volatility returns over the medium term regardless of market conditions.
- Flexibility to draw on diversified sources of returns across three distinct strategies: tactical rotation between traditional fixed income sectors, alternative strategies such as relative value trading, and hedging strategies.

## ESG information

**ESG approach - Integrated**

ESG Integration is the systematic inclusion of financially material ESG factors, alongside other relevant factors, in investment analysis and investment decisions with the goals of managing risk and improving long-term returns. ESG integration does not by itself change this product's investment objective, exclude specific types of companies or constrain its investable universe. This product is not designed for investors who are looking for a product that meets specific ESG goals or wish to screen out particular types of companies or investments, other than those required by any applicable law such as companies involved in the manufacture, production or supply of cluster munitions. ESG integration does not imply that the Fund is marketed or authorised as an ESG product in any jurisdiction where such authorisation is required.
