Fund overview

ISIN	Bloomberg	Reuters
LU1001747408	JPMEEQA LX	LU1001747408.LUF

Investment objective: To achieve a total return through long and short investments in European companies while maintaining low market exposure, by investing in such companies directly or through the use of derivatives.

Investment approach

- Uses a bottom-up stock selection process.
- Uses the full breadth of the eligible equity investment universe through a combination of fundamental research insights and quantitative analysis.
- Uses a long/short approach, buying securities considered attractive and selling short securities considered unattractive to generate investment returns with lower risk than the equity market.
